

Vest Designer

Please mark up the vest on the "My Vest" page to your requirements including any words or logos you want to appear.

We have provided examples of current designs to help you to see how panels can fit together, but the final design is up to you.

Please send it and the completed form to Fastrax.

For further information see:
www.fastrax-online.co.uk

My Vest

Please use this blank vest template to mark on your colours and panel combinations. Send it to us along with your details on the following page.

AVANTI

PRIDE

FLASH

CRUISE

TRICOLOR II

These designs help to show you how the panels fit together. Use them just as a guide. We can create most combinations. Larger versions are shown on the following "Examples" pages.
